Father John's Corner

Millions of people in the United States and the Caribbean have been impacted by the powerful storm Sandy. Lives and homes have been lost, transportation has been crippled, and many are struggling to get by without electricity and heat amid dwindling food and fuel supplies.

Nearly 1,000 miles wide, Sandy's strong gales reached to the Great Lakes. As of November 2, it caused at least 92 deaths in seven states and left more than 8.5 million homes and businesses without power from the Carolinas to Ohio.

In the Caribbean, government officials put the death toll across the islands at 69, with more than 50 in Haiti, where widespread flooding devastated parts of the already impoverished country. (Source: www.usccb.org)

I included in the bulletin a letter from Catholic Charities. You can make a donation directly to them or drop it off in the rectory's mail box.

The Food Pantry needs some volunteers to help get food to clients. If you have time, please consider helping them out.

Thank you for everything that you have done.

Saint of the Month

St. Frances Xavier Cabrini, M.S.C.

Missionary and founder of the Missionary Sisters of the Sacred Heart of Jesus

Frances Xavier Cabrini was born into a family of thirteen children. Due to health reasons, her first request to join a religious community was refused, but she was finally able to take her vows in 1877.

Soon after being named prioress of the Missionary Sisters of the Sacred Heart, she was urged by Pope Leo XIII to become a missionary in the United States. However, the house that had been promised to her for an orphanage was unavailable when she reached New York City, and the archbishop advised her to return to Italy.

Frances departed from the archbishop's residence all the more determined to stay and establish that orphanage. And she did. In 35 years, Frances Xavier Cabrini founded 6 institutions for the poor, the abandoned, the uneducated and the sick, and organized schools and adult education classes for formation in the Catholic Faith. She died of malaria in her own Columbus Hospital in Chicago in 1917. She was the first United States Citizen to be canonized, and she is known as the patron saint of immigrants.
