## Welcome Back!

Welcome back to a new RE school year!

I hope that everyone has enjoyed their summer break, and enjoyed starting school back up! Now it is time to start our Religious Education back up, even though we hope you didn't take a "break" from religion since it is such a big part of our lives! Sometimes, it is really hard to see this. Sometimes, God feels like someone distant and unreachable. He really isn't though!! If

September News  
Save the date!

you just take the time to talk to him and listen to him he is right there with you every single moment of every single day! So that is why we are challenging everyone this year!! We want you to look for God in your every day lives. Watch (and ask) for signs from Him. Write them down as you see them so that at the end of the day you can visually see how often he has been with you. Take a picture if you can!

## Catechist Sunday

Lets celebrate our Catechists!

Sunday, September 16th is Catechist Sunday. This is a day that was set up to celebrate our Catechists! Without them we could not have our RE classes. They take time out of their own lives to create lesson plans for the classes to run smoothly, they also take extra time to come and teach the classes. Not only that, they donate their time to go to required trainings every year to help them get ideas and learn different ways to teach the material at hand! They do all of this out of love of the Catholic Faith and to share it with all of you! So this is a day to say "Thank you!"
