Meet 3rd and 4th Grade

Catechists: Mr. Denis Fisher and Mrs. Cherry Fisher!

The third and fourth grade CCD class has been learning about the gifts of God. Mr. Fisher related that, years ago a fellow employee gave him a necktie at the company Christmas party. Mr. Fisher liked the tie so much that he did not wear it for fear of staining it. After so long his co-worker asked him why, and said, "You know? The greatest compliment you can give to someone is to use the gift they give you." After reading lesson two, one of the students said, "Hey, Mr. Fisher, this is about

you!” It was the lesson of the servants being given talents by their master before he took a trip. Upon returning, two servants had increased their holdings, while the third had buried his. When the master had returned the first two had doubled their talents and were praised. The third was scolded, had his talent taken from him and thrown into darkness. Mr. Fisher is wearing his gift.

Also, while studying the gifts of God the third and fourth graders identified their personal gifts. Lily makes people smile while Chloe can dance and make music. Andrianna likes to cook, Josie has been given a strong voice and spontaneity, Kolbie was blessed with the ability to swim, and Walter was given a great imagination and can be creative. All of the students are working to perfect their gifts and use them in ways pleasing to God.

What's New

Lets play some games this year!

This year we are wanting to engage the kids in the parish and let them have an opportunity to meet the people that they go to mass with, learn the different things about the mass, and to have fun while having the chance to earn some prizes! Each newsletter will have some sort of puzzle on it of some kind. Every month, if they bring the puzzle back in with their name on it, they will get to pick a prize out of our “treasure chest”. If at the end of the RE School Year they have completed all of the newsletters, then they will get an extra prize! The other thing that we are going to reward is perfect attendance. We know how hard it is to attend classes every single Sunday, so we are wanting to recognize those that do make it here every week! PS- We are starting fresh this month so September days missed do not count!!

“October is the Month of the Rosary!”

October is the Month of the Rosary! So please welcome Mrs. Rosemary Spies! She is going to teach us a little bit about the Rosary during RE Classes and then we will do a procession starting at the Hall and ending at the Church afterwards! Parents- Please feel free to join us for as much or as little as you can!

Let's Eat!

October 14th after 11:30 mass head over to the hall for some good food and a movie! We are going to be watching either Brother White which is a comedy or Fireproof which is a drama. We could use your help picking the movie so if you could get on the Our Lady of Lourdes

Facebook Page there is a place where you can vote for which one you would like to watch! If you have never heard of either movie there are trailers for both movies in the comments section of the vote!
