## Introducing..... The 5<sup>th</sup> Graders!

Catechists: Mrs. Marron Parsons and Mrs. Beth Baille

Our fifth grade class has spent some time on the sacraments of initiation. We have explored each individually. Our class does a lot of crafts that support our lessons in our text books. We display many of our crafts in our classroom. We also explore

UPCOMING

Super Bowl  
Our Lady of Lourdes

our religious holidays. Our class is a good balance of learning and fun.

## **Snow**

One of the most beautiful things in God's creation.

Snow is beautiful isn't it. Especially when you get to sit inside with a cup of hot coco with marshmallows in it in a nice warm home with a blanket. That is my favorite thing in the world to do. When you have to get out and go places in the snow though it is not so nice. It can be a dangerous thing to do too! Every year people get hurt trying to get to the places that they need to go to when the weather is bad. Something that YOU can do though for everyone that you love is pray for them when they leave. Pray that they get to their destinations safely. It may seem like it would be pointless, but it is not. Prayer is a powerful thing and something easy to do- even if you are little.

## **“New Year's Resolutions”**

New Year's is a time when people generally make their resolutions for the year. This is usually a list of things that they would like to accomplish throughout the year to make themselves a better person. Maybe, one of your resolutions could be getting to build a better relationship with Jesus. This could be done simply by setting aside 10-15 minutes a day to read your Bible. It doesn't seem like a lot, but it will do so much!

## **Our Lady of Lourdes**

We are celebrating the Feast Day of Our Lady of Lourdes on Sunday February 10<sup>th</sup> with cake and ice cream after 12:30 mass so please come and join us!
