Becoming the best version of yourself is a theme revisited over and over in our second grade classroom. As the second graders prepare for their first Sacrament of Reconciliation, they are learning that forgiveness is a life long practice for us all. Throughout our lives, we will pray to God asking for forgiveness and as 1 John 1:9 tells us, "If we acknowledge our sins, [God] is faithful and just and will forgive our sins and cleanses us from every wrongdoing."

Epiphany Sunday

Catholic Culture-

For many years in the English speaking world the feast of Epiphany has been overshadowed by that of Christmas. But unless we realize the significance of this great day, we see only one side of the mystery of the Incarnation. Now after contemplating the staggering fact that God has become a human child, we turn to look at this mystery from the opposite angle and realize that this seemingly helpless Child is, in fact, the omnipotent God, the King and Ruler of the universe. The feast of Christ's divinity completes the feast of His humanity. It fulfills all our Advent longing for the King "who is come with

great power and majesty." We see that whereas Christmas is the family feast of Christianity, Epiphany is the great "world feast of the Catholic Church."
