## **THE AMAZING YOUTH GROUP!**

Catechists: Michael Smith and Nicole Miller

Youth Group is going very good this year. We are looking forward to going back to Catholic Heart Work Camp and have made our reservations at the Camp in Champaign Illinois. It wasn't our first choice, or our second choice, but it will be a nice wake up call

that there is help needed in our own back yard. We have also been trying to have more fun, and more parties. All the while we are trying to focus on Jesus and the gospel and look to see how God works into absolutely everything in our lives.

## Turkey Dinner

### Turning Faith Into Action

There are many times in our lives that we can turn Faith into Action. It could be as simple as holding a door open for a child or elderly person, or anyone getting ready to walk through that door. It could be your parents paying for the car behind them in the drive through. It could be you donating your change to the Food Pantry. You could do things as simple as helping get Thanksgiving Dinner on the table as well. Help put out little things like plates and silverware. Help clean up the leftovers. Help do the dishes! There are many things that you could do and nothing is ever too small. If you are 5<sup>th</sup> grade and up- you could come and help us at the parishes Annual Turkey Dinner as well!

### "November is a month to Remember the Departed"

The month of November is dedicated to the Souls in Purgatory, whose feast is celebrated on November 2. With the exception of the last two days, the entire month of November falls during the liturgical season known as Ordinary Time, which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. It is used in the offices and Masses of Ordinary Time. The last portion of the liturgical year represents the time of our pilgrimage to heaven during which we hope for reward. The last Sunday, which marks the beginning of Advent, the liturgical color changes to purple, representing a time of penance.
